

**GET YOUR
SPRINKLER SYSTEM
CHECKED TO SAVE
YOUR WATER AND
MONEY**

SAVE THOUSANDS OF GALLONS PER YEAR AND KEEP YOUR GRASS GREEN!

Little Thompson Water District offers free sprinkler inspections throughout the summer. After a 90-minute inspection conducted by Water Conservation Specialists from the Center for ReSource Conservation, you can have a greener lawn and a lower water bill.

**JUST LIKE A CAR,
YOUR SPRINKLERS
NEED A CHECKUP
TO ENSURE A
HEALTHY LAWN!**

WHAT TO EXPECT:

- A friendly, trained Water Conservation Specialist will meet with you to explain the process.
- The Specialist will then test your sprinklers to see how efficiently the system is running.
- After the tests, the Specialist will offer you a new watering schedule to save you water and keep your grass healthy.
- In all, the appointment will last 90 minutes, but could save you thousands of gallons of water.
